The following MA3331 Series are available:

MA3331-106

MA3331-158

MA3331-204

- **Aircraft Fasteners** is an authorized distributor for the premier aerospace fastener manufacturers for MA3331.
- AFI specializes in providing fully traceable and certified MA3331.
- AFI's team includes the most knowledgeable sales staff in the industry.

MA3331 certificates for lot traceability are available with most confirmed Orders. All inventory is purchased and maintained with manufacturer's lot number traceability, unless otherwise specified, with documentary evidence in the form of certification of conformance and/or physical and chemical test reports on file, available for inspection, attesting that items have been manufactured in accordance with all applicable standards and specifications. Parts are free of debris, packaged in a clean environment that prevents contamination. Material as shipped was free from mercury contamination while in our possession. AIRCRAFT FASTENERS INTERNATIONAL, LLC. disclaims any responsibility for manufacturing or functional defects and hereby limits express or implied warranties to liability for replacement of this material, with responsibility not to exceed the invoice amount. When exporting this product, you must comply with US export Administration regulations.
